

7th December 2017

Dear Parents/Carers,

During the festive season we would like to support those within our community who are homeless or vulnerable. We have therefore decided to support The Welcome Centre in Ilford. They provide practical support and advice for those in need. As part of their work they will be providing those in need with food that can be eaten when the centre is not open. We would like to support them with this.

We would be very grateful for any donations that you could make. Items that can be brought in are bottles or water and cartons of juice, cereal bars, breakfast biscuits, packets of crisps and Pot Noodles.

Please check that these items are still before their 'sell by' date.

Thank you in advance for your generous co-operation.

Yours Sincerely

MRS DENISE HUGHES-MULHALL  
Head Teacher
