Explanatory Notes:

- The charging policy should be reconsidered every 2 years.
- The charging policy should be included within the school prospectus.
- It is a statutory requirement for a Charging Policy to exist, which must include a full remission in respect of charges levied for board and lodging for residential trips if the parent/carer of a pupil is in receipt of income support, family credit, income based jobseekers allowance (payable under the Jobseekers Act 1995) or disability working allowance.
- The Charging Policy must be agreed by the full Governing Body, it cannot be delegated to a committee or the Head Teacher.
- The statutory requirements only apply to charges made by a Governing Body or the LA, they do not apply to charges to pupils or their parents/carers made by other persons (e.g. travel firms).
