## Year 4 Curriculum Autumn 2019

Dear Parents and Carers,

Welcome to year 4! Below you can find an outline of important dates and information you will need for this term. On the back of this letter, you will also find a curriculum map which outlines the topics we will be exploring across the subjects this term.

### Educational Visits

This term we have our first Year 4 visit to the British Museum! This will be linked to our history and English topic of Ancient Greece. The children will be taking part in a very exciting augmented reality workshop, using tablets to bring history to life!

### Homework and Spellings

Homework will continue to be given on a Friday to complete over the weekend and needs to be returned on a Wednesday. The homework is linked to our learning in English and will be either a grammar task or a writing task based on the reading we have done in the week from our text. In maths, the children will be given a series of questions relating to the topic from their mathematical learning. We encourage the use of real life situations to enhance their skills, so you may need to go out and about to complete their homework!

Spellings will be given on a Monday and the children will be tested on these every Friday. PE homework will also be given weekly. Make sure you sign that your child has completed their active homework!

### Targets

Each child will be given a target in reading, writing and maths, related to the Year 4 curriculum. Children will take the responsibility to show their teacher when they feel they have met a target.

### Important dates:

Thursday 19<sup>th</sup> September: Year 4 Curriculum Meeting in the hall at 3:45pm

Tuesday 3<sup>rd</sup> December: 4K and 4S to British Museum

Friday 6<sup>th</sup> December: 4N to the British Museum

Enjoy learning!

Mrs Krizsanyik, Miss Sondh and Miss Nisar
