

Year 3: Learning at home: Week beginning 30th March 2020

Look at the different activities below. Over the week, please complete at least three of these activities a day. Colour in the box once completed.

Enjoy Learning!

<p>Imagine you were going to the centre of the earth. What layers would you go through? Write an adventure story.</p> 	<p>Later this year we plan to develop the rose garden. Research ideas of how we can attract more plants and insects, Ideas could include a scented garden or a nature trail. Draw a plan of your ideas. How much would it cost?</p>	<p>Find Just dance on Youtube. Exercise for 10 minutes, 2 times per day https://www.youtube.com/watch?v=RefJ2QOsVLo</p> <p>If you do not have access to the internet, turn on some music and dance!</p>	<p>Draw some objects that are always the same colour. Labels the colours in French.</p>	<p>Watch some videos of religious songs. https://www.youtube.com/watch?v=pFSCVfDpdZQ https://www.youtube.com/watch?v=Pr7wcHTzcTg Create our own religious song/poem/rap. If you have instruments in your home, you can use those too!</p>
<p>Find ten objects in your home and put them in alphabetical order.</p>	<p>Describe your family in French e.g. who they are and what colour eyes they have. Make a French bingo game.</p>	<p>Research what a tsunami is and create a fact file. Include what it is, how it occurs, where it has occurred in the past and the effect of them.</p>	<p>Draw a family portrait. Use line and tone.</p>	<p>Pobble 365 http://www.pobble365.com/ Choose a date and free write a story from the stimulus.</p>
<p>Think about your mental health. Do some yoga. https://www.youtube.com/user/CosmicKidsYoga</p>	<p>Design a team game using sporting equipment e.g. cones, a bean bag and a hoop. Don't forget to write the rules! Extension- can you find objects around your house and make a game?</p>	<p>Think of the colours of the rainbow. Think of objects to match the colours and clear your mind.</p>	<p>Can you write a volcano acrostic (or other type of poem) using powerful vocabulary?</p>	<p>Create a family tree. Phone an older member of the family to help you.</p>
