

Year 4 Activity Grid: Week beginning 27th April 2020

Look at the different activities below. Over the week, please complete at least three of these activities a day. Colour in the box once completed. Enjoy Learning!

<p>Create your own TV advert that promotes healthy eating. Thing to include: Props, slogan, facts and statistics. The advert should not be too short or too long.</p> 	<p>Make a presentation about solids, liquids and gases. Include answers to the following questions. Where can you find them at home? What do they look like? What are they made from?</p>	<p>Make an A-Z of items in your house. Try and find 4 for each letter!</p>	<p>Timetable Rockstar! Do not forget to do the battles.</p> 	<p>Keep a food diary for the time you are off. Fill in week 6.</p> 
<p>Make a collage based on the theme of 'The World'. Include different recyclable materials that you can find around your house. Make sure it is bright and colourful.</p> 	<p>Free writing:  Make sure you include a range of vocabulary to describe things in detail. Remember the person who is reading your work should be able to create an image in their minds.</p>	<p>Design and draw your own potion bottle. Think about what makes your bottle so brilliant and what your potion is called. Write a blurb to describe your potion and what it is for, list the ingredients and produce a method to make it. Remember to come up with an exciting name!</p>	<p>Create a poster based on different ways we can keep our mind and body healthy. Don't forget to include pictures, annotations and ideas. Stick it on your fridge and make sure you reflect on it during the day.</p> 	<p>What would your dream house look like? Draw a picture and write a description. Remember there is no limit to the number of rooms/floors. Be creative!</p> 
<p>Choose a Yoga video to follow below. Get your family involved too!</p> <p>https://www.youtube.com/user/CosmicKidsYoga</p>	<p>Design a new theme park of your choice. You can base it on a theme of your choice. Make sure you create a map and label the rides/restaurants/ shops. Think about the names of the rides and how they will look.</p>	<p>Pick three food related items. Look at the nutrition facts at the back. Work out the total for calories, protein and sugar for all three items. Use the column method to add them.</p>	<p>Draw a family tree including all of the members in your household. Make sure you draw a picture to represent them.</p>	<p>youtube.com/user/thebodycoach1 Follow Joe Wicks' PE session on YouTube. Make sure you are wearing suitable clothes for this!</p>
<p>Think about a book which we have read in class so far (Who let the God out & Aztec Attack,). Write an alternative ending to the story.</p>	<p>Read a chapter of your book. Write down five new words from that chapter in your reading record or on some paper. Make sure you write the definition of the words.</p>	<p>Think about what job you would like to do in the future. Write down a job description and why you want to do it.</p>	<p>Thinking question for this week is: What does happiness mean to you? You can do a drawing or a free write.</p>	<p>French Create a quiz based on what you have done so far. Test someone in your family and see what they get!</p>
