

Year 6: Learning at Home: Week beginning 20th April 2020

Look at the different activities below. Over the week, please complete at least two of these activities a day. Colour in the box once completed.
Enjoy Learning!

<p>30 Day drawing challenge 3: Your favourite tv show.</p>	<p>Using a map of Europe and the internet, create a timeline to show the Nazi's invasion of Europe.</p>	<p>Remember our work on propaganda? Create a propaganda poster based on Hitler's rise to power.</p>	<p>30 Day drawing challenge 4: Your favourite food.</p>
<p>Use this YouTube video to help you create a poem on a topic of your choice.</p> <p>Poem in 10 min</p>	<p>Download one of the several stop motion applications and create your own stop motion video. Use your toys at home as your characters and objects.</p> <p>Stop motion apps</p>	<p>Draw with Rob! Use this website for step by step drawing lessons.</p> <p>Draw with Rob</p>	<p>Create a poster warning of the implications of drugs and alcohol.</p>
<p>Learning a new song: There are lots of different songs and activities to do based on songs on this website: Out of the Ark</p> <p>Enjoy Singing!</p>	<p>Create atmosphere in your writing. Remember to use pathetic fallacy (personification of the weather) Select an image, print it out if you can, and write a description using pathetic fallacy.</p> <p>Images</p>	<p>Create a healthy meal for your family. Ask your parents / carers to help you so that you are safe. But plan it out first. What will you cook? What do you need? How much of each item do you need? Present your menu to your parents / carers and then create it. Review your work after. What went well? What help did you need? What would you do differently next time?</p>	<p>Use excel and begin to create a food and exercise diary while you are off school. How will you organise it? Will you create different books for each day or a table?</p>
