

# Year 6 Maths: Week beginning 20<sup>th</sup> April 2020

Hello Year 6, each day you will have a video lesson, an activity to complete and the answers. Just click on the links provided. Please ask an adult to help check your answers, only when you have completed the task. Please can you also do a 15 minutes per day starter activity using <https://trockstars.com/> and end the session with a quiz: <https://www.educationquizzes.com/ks2/maths/>

Enjoy Learning!

<p>Starter</p> <p>Log on to Timestables Rockstar's website and go on to daily for 15 minutes: <a href="https://trockstars.com/">https://trockstars.com/</a></p>				
Monday	Tuesday	Wednesday	Thursday	Friday
<p><b><u>I can find vertically opposite angles</u></b></p> <p><a href="#">Lesson 1</a> – video clip explaining today's learning.</p> <p><a href="#">Activity</a> - watch the clip before beginning.</p> <p><a href="#">Answers</a> – once you have finished, check your work through with an adult at home</p>	<p><b><u>I can find the angles in a triangle</u></b></p> <p><a href="#">Lesson 2</a> – video clip explaining today's learning.</p> <p><a href="#">Activity</a> - watch the clip before beginning.</p> <p><a href="#">Answers</a> - once you have finished, check your work through with an adult at home</p>	<p><b><u>I can find angles in isosceles triangles</u></b></p> <p><a href="#">Lesson 3</a> – video clip explaining today's learning.</p> <p><a href="#">Activity</a> - watch the clip before beginning.</p> <p><a href="#">Answers</a> – once you have finished, check your work through with an adult at home</p>	<p><b><u>I can find missing angles in triangles</u></b></p> <p><a href="#">Lesson 4</a> – video clip explaining today's learning.</p> <p><a href="#">Activity</a> - watch the clip before beginning.</p> <p><a href="#">Answers</a> – once you have finished, check your work through with an adult at home</p>	<p><b><u>I can complete a maths challenge</u></b></p> <p><a href="#">Lesson 5</a> – video clip explaining today's learning.</p> <p><a href="#">Answers</a> – once you have finished, check your work through with an adult at home</p>
<p>Quiz:</p> <p>Follow this link and choose a quiz of your choice: <a href="https://www.educationquizzes.com/ks2/maths/">https://www.educationquizzes.com/ks2/maths/</a></p>
