

Enjoy learning 3G!

Hope you are all well and making the best use of your time at home with your families!

As a class, I am missing your energy and spirit and your willingness to learn. Every day was different but amazing in its own way. Your work is still displayed across the classroom; your tempest ships, magnet posters, still life drawings and lots more! It's a gentle reminder to me of the hard-working class that you are.

Make sure you are getting lots of exercise at home; you could even try the Joe Wicks daily workouts! Remain creative with your activities and try in the evenings to play some board games with the family, or watch a movie together. These moments are precious and should be treasured!

I just want to say that I am very proud of you all and I cannot wait to see you all again!

Best wishes

Miss Gay.
