

Hi 3S.

I hope you all had a restful Easter break. I am missing you all very much. Our classroom is quiet without the busy buzz of us all enjoying learning and growing together. We've all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing.

But just because we're not all in the same building, doesn't mean we can't have some fun together! You have lots of fun filled activities on the school website to get stuck into. Remember to complete Times Table Rock Stars. I regularly monitor its use. So, come on 3S lets win this battle. We need all of you to log on.

Also remember to keep physically healthy. I have been doing P.E. with Joe Wicks so if you do to, we will be doing it at the same time! As Spring has sprung, why not during your hourly exercise, look for its different signs and see how they change over time. As I write this letter, the horse chestnut tree outside my house is bursting into leaf and the lilac tree in my garden is a welcome splash of colour.

It's definitely been a strange and challenging time, so remember it's ok if you to have a little wobble. But remember to talk to the adults. Looking after your mental health is important. To keep me mentally active, as well as planning your online learning, I have continued to learn how to play a musical instrument. What new hobby can you try? I have loved seeing the fantastic learning at home – please keep emailing in your work.

We can't say yet when we'll be able to open the school fully, but rest assured that we'll continue doing our utmost to keep your learning fun and staying connected.

Well 3S,let's get cracking with our summer term!

Enjoy Learning!

Mrs Simms
