

Dear 4K,

What a strange few weeks it has been without you.

It was lovely to speak to so many of you (and your parents) on the telephone earlier in the week, and I was so pleased to hear how well you are doing with your online learning and how much you are enjoying the activities.

Your enthusiasm and enjoyment of learning continues to shine, and I feel immensely proud and lucky to be your teacher! It was a delight to hear that you continue to challenge yourselves and are exploring new ways to learn. A huge thank you to the parents as well, for embracing this vastly different way of learning and ensuring the children are keeping their brains active.

I cannot wait to be standing in our classroom again, seeing all those hands go up, ready to continue our learning journey together. You are an incredibly special class and the corridors of Parkhill Junior, are unhappily silent without you all. I miss each and every one of you and look forward to seeing you all again very soon.

Keep safe and look after yourselves,

Enjoy Learning!
