

Dear 4N,

It seems like it has been forever since I last saw and spoke to all of you. I hope everyone is doing well, working hard and not giving their families too much of a headache from all the chatting! I can't even begin to tell you how proud I am of all of you. I know you will be working so hard to complete all the great work that has been set for you and I am looking forward to reading it once we are back. Emma, I loved seeing your work, keep it up!

You are all so special and it is really unfortunate that I have not been able to see you for so long. Everyone, I am sure, has been reading every day and signing their reading records. If yours is in school, then you can keep a record of it in a different book or on paper. I know I cannot be there to check them every day, before you enter the class, so I hope you have taken on my role and become little teachers yourselves. When we are back, I am sure I will not be able to recognise all of your handwriting; that's how incredible it will have become. I can't wait to hand out lots of pen licences too. The classroom is so dull, and Parkhill is so quiet without each and every one of you. I miss all of your chatting, giggling, complaints, excuses and questions!

So, who has been doing lots of Yoga and PE? I hope you are getting your families involved too and keeping yourselves super fit and healthy. I have been exercising inside my house and in my back garden, it has been really enjoyable! I also celebrated my birthday in lockdown and remembered all of you. I read all the thoughtful cards and put the decorations you made up in my house; that really did make my day extra special so thank you!

I have been missing each and every one of you and I can't wait to see your smiling faces again. Take care of yourselves and everyone around you, 4N. Stay safe, wash your hands and please stay at home. We have to work together in this and I promise we will all be back together very soon.

Enjoy Learning.

Miss Nisar
