5<sup>th</sup> May 2020

Dear parents, carers and our *magnificent autonomous learners*

We hope that you are all safe and well. The work is now flooding in, to go into the One and Only Ordinary Book full of Extraordinary Work, on the website! Fabulous. Also coming soon, your parents will receive an email, containing a letter for you, from your teacher. The letters will also go on the website.

This Friday will be the 75<sup>th</sup> anniversary of VE day. Activities, with a slightly different timetable created just for Friday, will be posted on the website on Wednesday 6<sup>th</sup> May, to mark this very special and poignant occasion. Also on the website, from tomorrow morning, will be an uplifting message, from our Prime Minister, just for Parkhill. Wow! What an honour.

**Once again**, for as long as this important lock-down continues, you must keep your brain and body active. You must keep yourself safe. We can see that most, if not all of you, are accessing the school website daily. *We were very pleased to hear that other schools are using our online learning resources too!* Please keep checking our website. It provides you with an update or message, daily. Today we have posted another **video communication**. Each day, a new recording will provide a message from your individual teachers. **Today, it is Ms Gay.**

**Please contact us if you need any help and we will do our best to assist, or to signpost you to a place where you can be helped. It is important that you remember, the Parkhill Junior Team are thinking of you. Use the admin email or call the school. All contact details are on the website.**
