## Activity 1

1. What are your thoughts about this episode?  
My thoughts about the Episode are that the Episode could encourage other people to be careful online while sharing and posting personal stuff.
2. What does Sam do with Megan's baby photo?  
Sam posts Megan's baby photo on the internet and makes it public for everyone to see.
3. How does Megan feel about this?  
Megan is quite upset by the actions of Sam.
4. What does Megan do in response?  
Megan goes into Sam's account and posts nasty comments about Sam's band friends on Megan's web page.
5. What upsets Ellie and who does she turn to?  
Megan's nasty comments about Ellie upset her and she turns to Magnus, an online stranger.
6. Is Magnus the best person to support Ellie?  
No, because Magnus is a total stranger and Ellie doesn't know anything about him.
7. Who else could help?  
The people that could help Ellie are her parents, Sam, Alfie, Alfie's mother or any trusted adult.
8. Which rights-respecting article would this link to?

## Activity 2

1. Create a mind map of what is OK to share and what is NOT ok to share.

OK to Share	Not ok to share
Short or NickNames	Home Address

News, weather updates	Personal and Sensitive Information
-----------------------	------------------------------------

2. Explain how you have made your decisions. – Give reasons why some items are ok to share while others are not. Can you provide the consequence of sharing?

**Not Ok to share:**

- Home Address - you should not share a home address because the strangers can come following you to your home and this can lead to uncomfortable situations.
- Personal and Sensitive Information: Information like Date of Birth, Age, Gender, Physical Information, Pictures, Contact Numbers, Passport details should not be shared as they can be misused.

**Ok to Share:**

Short or Nicknames, news and weather information can be shared online as there won't be a problem.

3. What do you always need to do before sharing something?  
You have to consult an adult before sharing.
