Sam: Really! Really People, really?! Nobody, not one person questioned whether I posted those nasty posts, or whether I had been hacked.

Ellie: Alfie did.

Sam: Except Alfie. And he was one of the ones I was supposed to be posting about. How could you think it was me? I'm nice! Aren't I nice?

Ellie: Yeah!

Sam: That could have been smoother.

Alfie: When are you getting here? We need to rehearse.

Ellie: Oh my goodness. Magnus has offered me time in a recording studio. Today!

Alfie: Who's Magnus?

Ellie: (Laughing) a...a... a...friend.

Boys: ummhmmm.

Ellie: He is a friend. He was really nice to me before.

Ellie: You're my only friend right now (Singing)

Sam: How do you know him?

Ellie: He is a friend of James'

Sam: What does Magnus look like?

Sam: He looks cool!

Alfie: Umm, has he put a theme tune on his profile picture?

Ellie; Guys, you're not listening! He can get us some studio time!

Sam: Us?

Ellie: Sure! I wouldn't leave the band behind would I!?

Alfie: The competition is at 4:00. When are you getting here?

Sam: Alfie, it is only across town. We can be there and back way before the competition!

Ellie: Yes! I am sending you the address now Alfie. See you there.

(Remembering and thinking about what Ellie said; recording

studio, Friend of James)

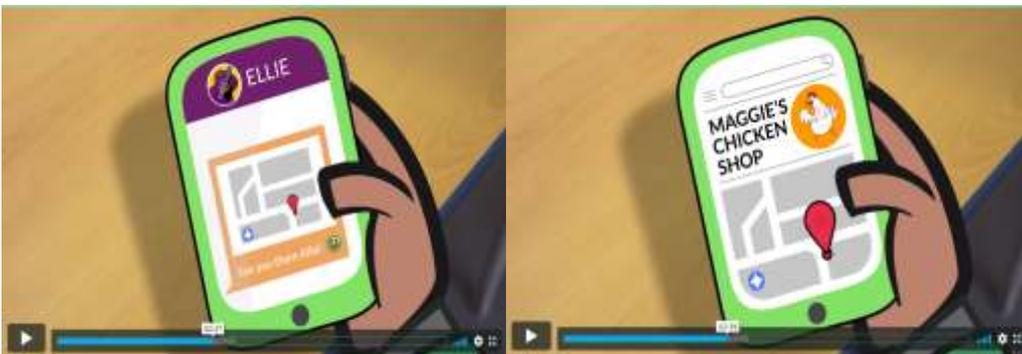

James: Hi Alfie.

Alfie: Hi James. Do you know Magnus?

James: Magnus? Oh, I added him because he is friends with Paul.

Alfie: Paul? How does Paul know him?

James: (calling out in the background) Paul, Paul, how do you know Magnus? Uhh, he added him because he is friends with Mike.

Alfie: There is no studio there! There is only Chicken!

Megan: Hi Alfie.

Alfie: I need a teacher. Where is one? Have you seen one? Where are all the teachers in this school?

Megan: Why? Have you lost your band mates?

Alfie: It was you! What have you done?

Sam: Do you think you get free chicken while you record?

Ellie: Sam, I don't think this is a recording studio.

Alfie: It was Megan! Megan is Magnus!

Sam: Gasps.

Ellie: What!

Alfie: Stay where you are. Mr Pettigrew is coming to pick you up. We don't have much time before the competition.

Ellie: Ohhh half an hour till the competition. We are not going to make it. Mr Pettigrew, thank you for the lift, but can you lift faster?

Sam: Oh no. The Popcorn Wizards are there already.

Alfie calls:

Ellie: Sorry Alfie.

Alfie: What for?

Sam: You were right. We should not have gone. We can't get there in time and even if we could, we can't beat the Popcorn Wizards if we haven't rehearsed. They are as slick as jelly.

Alfie; they may be slick as jelly, they may be cool as ice, they may be tougher than uncooked rice, but they are not as fun as a big fun thing.

Sam: terrible!

Alfie: Ugggh! They may have fans, but we have friends! Let's get their help!

Ellie: Ok friends, Selfie are in trouble and we need your support. Just watch this...

Sam: (singing):

Were all together now and we are having a good time. When were together were doing just fine.

Sam: We have each other through the rain and through the sunshine. When were together we can rhyme all the time.

All: When we are apart, we don't know what to do. When we are down, we know what to do. We're writing a song. We're singling along. Making friends

All: We're here together now and were having a good time.
