

Year 4 activity grid: Week beginning 4th May 2020

As from this week, we would like you to make sure that you complete the science activities on the grid. We have shaded the boxes to help you locate them. Have fun completing two other activities of your choice per day!

<p>If this is the answer, what is the question?</p> <ol style="list-style-type: none"> 1. 17kg 2. 22m 3. 4 4. 89.2 5. 11 miles 	<p>Use the first page of this link: Viking Ships</p> <p>Look up any new words you don't recognise and find out their meaning.</p> <p>Can you try and make your own version of a Viking ship, using the picture to help you?</p>	<p>If you met Nelson Mandela around the time apartheid was abolished (got rid of), what 10 questions would you ask him?</p>	<p>What does 'coast' mean in terms of geography?</p> <p>Use an atlas to find at least 10 places that are on the coast of the UK.</p>	<p>Pick a religious festival from either Hinduism, Christianity or Judaism (the religions we have been studying this year)</p> <p>Research the traditions; what do people wear and do? Where do they go? Are they special food or prayers?</p>
<p>On the computer, make a PowerPoint or a poster about Chichen Itza, the famous Mayan city. Use the following links to help you:</p> <p style="text-align: center;">Website 1</p> <p style="text-align: center;">Website 2</p>	<p>How many words can you make from these letters?</p> <div style="text-align: center;">  </div>	<p>Charles Darwin and Alfred Wallace</p> <p>Watch this video from BBC class clips. Make a presentation on PowerPoint of these scientists' achievements.</p>	<p>Think about Puck from 'A Midsummer Night's Dream'</p> <p>If he were to go to a shopping centre, what tricks might he play? Think back to when we wrote about his tricks at school. You can be humorous, but make sure it is sensible!</p>	<p>You have to spend a week in the Antarctic. What 10 items would you take with you and why?</p> <div style="text-align: center;">  </div>
<p>A frog has fallen in to a well that is 40 metres deep.</p> <p>Every day he manages to climb 4 metres but at night, he falls back 2 metres.</p> <p>How many days does it take the frog to climb out of the well?</p>	<p>Watch this video about the process of making chocolate</p> <p style="text-align: center;">Video Clip</p> <p>At home, can you melt and freeze different types of chocolate? What about different brands, with different flavours? Do they melt or freeze differently? Write down your observations.</p>	<p>What makes a person 'brave'?</p> <p>Can you describe a person who has done something that you consider to be brave?</p>	<p>Can you put the numbers 1 to 9 in a square so that the horizontal, vertical and diagonal lines all add up to 15?</p>	<p>Timetable Rockstars!</p> <p>Do not forget to do the battles.</p> <div style="text-align: center;">  </div>
<p>Research the Inca civilisation. How are they similar and different to the Maya and Aztecs? Use the following link to help you:</p> <p style="text-align: center;">Inca, Aztec and Maya Information</p>	<p>Write a letter to your teacher to give to them when you come back to school. Tell them how you are enjoying your learning at home and which activities you have enjoyed the most!</p>	<p>Pick 5 objects from your home (that you can move around)</p> <p>Place them on a table and draw a still life drawing from your perspective (sit in one place to complete it so your view stays the same)</p>	<p style="text-align: center;">Thinking Question:</p> <p>Is it worse to fail at something, or never try it in the first place?</p>	<p>Find 20 words that begin and end with the same letter e.g. treat, wow, loyal</p>
