Use a dictionary to sort the words in **A** into two groups – foods from Italy and foods from India. Write the two lists into your book and remember to give each list a heading.

A series of words beginning with the same initial sound is called alliteration. Copy these alliterative sentences into your book.

- 1 Sombreros, sofas and sunbeds are ideal for siestas.
- 2 Kevin and Kim saw kangaroos, kiwis and koalas.
- 3 Pizza is perfect for peckish people.

E XTENSION

This extract about a circus in Japan is from Jules Verne's famous book 'Around the World in Eighty Days'. Copy the extract into your book.

The musicians, he said, took up their places and the full orchestra, with bongos, banjos, pianos, piccolos, tambourines and cellos began to play furiously. We saw men and women with long noses. The noses were really pieces of bamboo five, six, or even ten feet long, some of them straight, others bent, some smooth, others covered with tattoos.

Remember, no join is made after a break letter.
