ALWAYS KEEP YOUR SOCIAL DISTANCE OF TWO METRES.

IT IS OUR SHARED RESPONSIBILITY.

1st June 2020

Dear Parents and Carers

Welcome back. As we embark on the second half of the summer term, recent government guidance has indicated that a return to school for all children *may be* possible by the end of June. There are absolutely no certainties. For now, in order that we fully observe social distancing rules, **it is the Year 6 children only, who are returning this week.**

I should remind and reassure you that there is no pressure for children to return and it remains voluntary, during this time.

Year 6 parents and carers were sent two letters, before the half term break, outlining the precautions and measures we have in place, to protect children and adults at the school. Both letters are on the home page of the school website. Worth a read regardless of your child's age.

The easing of the lockdown still requires all of us to be vigilant and cautious. The two metre distancing should be observed in and out of school.

During the next two/three days, teachers will call you to provide the log-in for Google Classroom. We hope to have this fully up and running, for the beginning of next week. A text or email will be sent to confirm this. Step by step guidance will be emailed to you early this week.

If you have any questions or concerns, please contact the school by email or simply call. Contact details are at the top of this letter.

Best wishes and stay safe.
