L1: I can find out about different architects

All these building were designed by Zaha Hadid. Have you seen any of these? What similarities can you find?

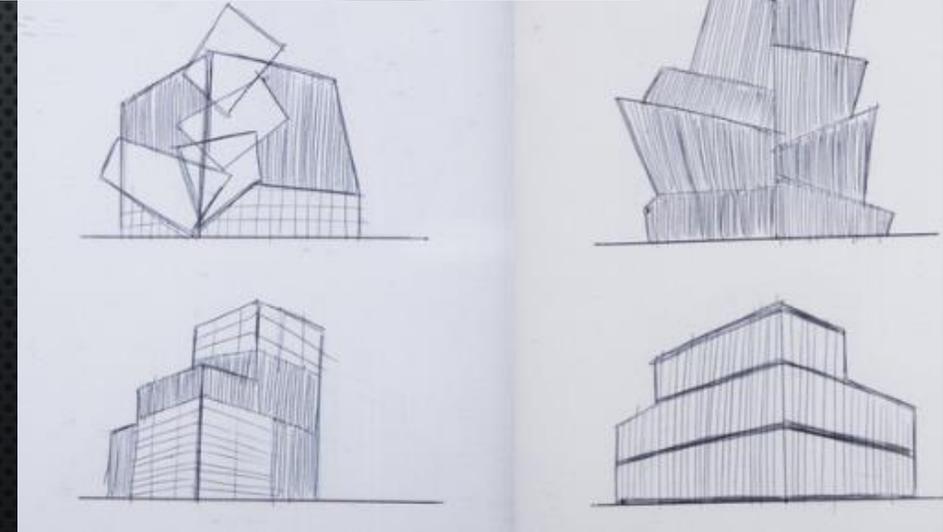

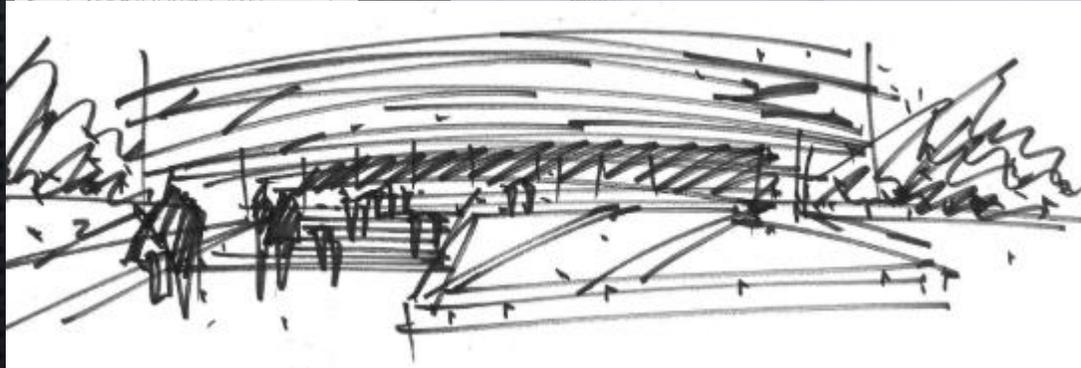

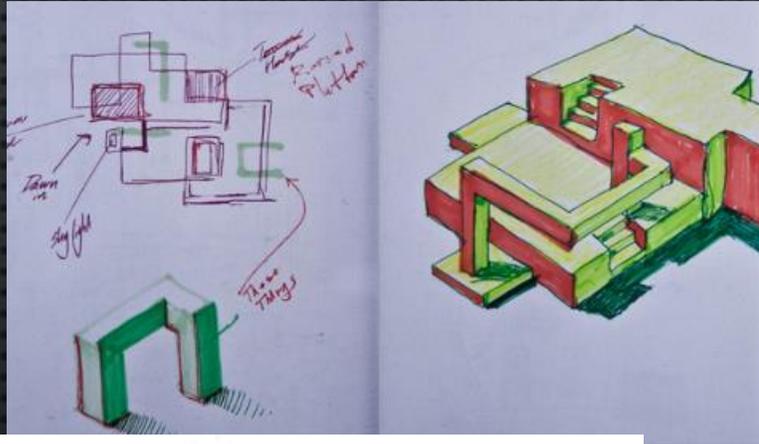

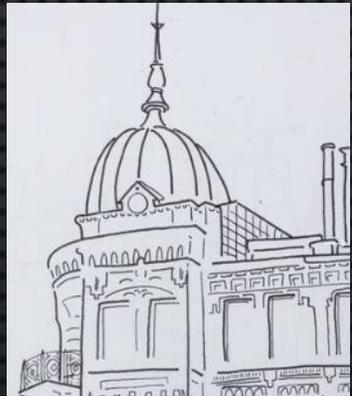

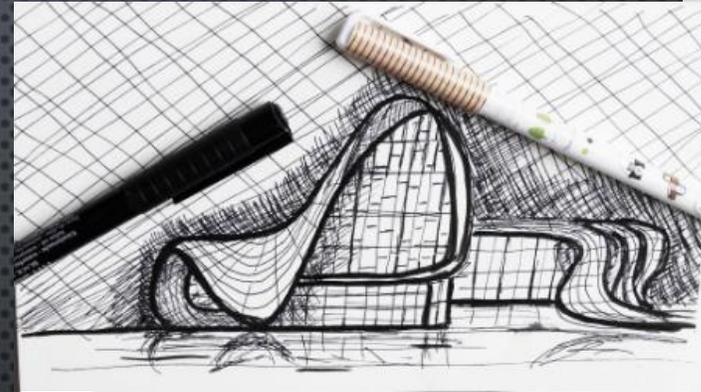

What materials do you think were used to build these?

Which is your favourite and why?

L1: I can design my own building for a particular purpose

On a plain piece of paper, you are going to draw some of the buildings (your favourite ones) designed by Zaha Hadid and then you will design your own one. It may help you to think of a purpose for the building e.g. What is inside it? A library, a swimming pool, an office block, a courthouse etc.

You can draw using pencil or ink.
