1903 First powered aeroplane flight

1930 First solo Britain to Australia flight by a woman

1909 First flight across English Channel from France

1853 First manned glider flight

1947 First supersonic flight

EXTENSION

Copy this newspaper report into your book. Use print letters.

Amy Johnson's name will be entered into the history books today. She is the first woman ever to fly solo to Australia from London. Flags were waved as she emerged triumphantly from the cockpit of her small plane. She looked tired as she smiled and waved to the crowd. She told one reporter that she already has plans to fly solo to Japan next year.

Add a headline to your report.
