# REFLECTIVE DRAWING

Every week we would like you to reflect upon your learning.

This week we have chosen **article 15** from the Convention.

After reading the article, we would like you to complete a drawing where you have considered your response carefully.

## UNCRC Article 15

I have the right to meet with friends and to join groups

Article 15 of the UNCRC makes it clear that – like all people in the world – children and young people have the human right to freedom of association.

This means that they should be free to:

- meet individual people and groups of friends
- set up an organisation
- join an organisation
- take part in peaceful protest.

While Article 15 of the UNCRC promotes freedom of association, it does say there are some circumstances where it doesn't apply. For example:

- children and young people can't meet with individuals or groups when they threaten their rights. For example, they can't meet people who are likely to pose a danger to them.
- children and young people can't meet with individuals or groups when they would threaten other people's rights.
- children and young people can't meet with individuals or groups in order to break the law.

What does this article make you think about?

What images could you draw?

What colours could you use?

What shapes? Patterns? Lines? Vocabulary?

What is needed for you  
to enjoy the right to get  
together and join up with  
other children and young  
people?

Hopefully all our groups, clubs and activities will happen again when it's safe to do so. What will you do to enjoy, celebrate and respect freedom of association – yours and other peoples? Can you draw this?

Can you explain to someone at home **what** you have drawn?

What words can you use?

Can you explain **why** you have drawn that?

**How** does it relate to the article?
