

Activities for 8-10s

WB: 6.7.20: I can continue to add to my online safety booklet.

I can explain how to stay safe online

I understand how to play online safely.

Continue this work in your Online safety booklet.

Answer your questions and do any activities in your booklet. Keep safe Parkhill!

Remember- Please use children friendly search engines, ask your parents to help, and Always report or tell someone if you are not sure about things you see online.

Activity 1: Great Games

Using the internet to play games is fantastic. There are so many games out there.

Discuss with an adult the different games you play and on what devices you play them on. Are they always online games?

Why do young people play games?

Can you identify the reasons?

Are games only used for entertainment?

Now that you have identified different games, discuss the following about each game you identified:

- What is the PEGI rating?
- What does this mean?
- What is the game about?
- What can you do in the game?
- Can you talk to others?
- Can you purchase items?
- What makes this game enjoyable?
- Is there anything you don't like about the game?

Activity 2: Gaming Guide:

Some children and even some parents don't understand games or what the point is.

Create a poster or a guide about your 2 favourite games to explain everything you know about it.

Include the points above: What is it about, what can you do in it, why do you enjoy it, are PEGI ratings important? Can you explain?
