REFLECTIVE DRAWING

Every week we would like you to reflect upon your learning.

This week we have chosen **article 30** from the Convention.

After reading the article, we would like you to complete a drawing where you have considered your response carefully.

UNCRC Article 30

Article 30: I have a right to speak my own language and to follow my family's way of life

Article 30 of the UNCRC makes it clear that children and young people who belong to a minority group have the right to share their culture, language and religion with other people in that group.

Minority groups include:

- ethnic minorities
- religious minorities
- linguistic minorities— people who use a language that's not the one most people use. That includes signed languages as well as spoken ones: British Sign Language users are members of a linguistic minority.

UNCRC Article 30

While most of what Article 30 says is implied by other Articles of the UNCRC, it exists to make clear that the rights of minority children and young people should not be overlooked by people who think about how to put the Convention into practice. It applies to everyone in UK and not just its citizens- so refugees in the process of seeking asylum are covered by it in the same way as everyone else.

Culture means traditions that groups follow like food, dances, song and clothes. Could you draw about what is important in your culture.

What does this article make you think about?

What images could you draw?

What colours could you use?

What shapes? Patterns? Lines? Vocabulary?

Can you explain to someone at home **what** you have drawn?

What words can you use?

Can you explain **why** you have drawn that?

How does it relate to the article?

Maybe you would like to share this in your Google Meet session.
