Dear Parents, Carers and Learners,

We had hoped that a fuller return, to our usual school day, would have taken place by now. However, this is not yet the case. You will agree that we must now continue onwards and onwards and, at some point soon, upwards. We do so together, as a school community. Always.

**Our shared priorities remain the same: the health and safety of your children, you, your family and school staff. Alongside this, the learning continues, at a relentless pace! Our learners are eternally hungry for knowledge.**

Noted below, are important updates and reminders for all that is practical and necessary, to keep our young learning community safe and informed.

## **UPDATES.**

### **Breakfast Club**

Breakfast club begins at 8:00am. A place at Breakfast Club must be booked and paid for a week in advance. Please email the Admin account to book a place. From January, we will start to serve breakfast again. The cost for this facility is £1.50 per child per session. If breakfast is required an additional cost of £1 per day is charged.

### **Afterschool Clubs**

We wish we had happier news. However, after school clubs **cannot** resume next spring half term, given the current status quo in Redbridge and nationally.

### **School start and finish times.**

A staggered start and finish to the school day will remain, for the first half of the spring half term 2021. It will then be reviewed. Please continue to adhere to the times you have been given.

### **Lunchtime**

Home dinners are still not permitted, at this time. Please ensure that your child brings a healthy lunch to school.

### **Communication between Teachers and Parents.**

Face to face meetings still cannot take place. If you wish to talk to a teacher, please contact the Admin Team via email or telephone. A mutually convenient time will be agreed for the teacher to call you.

**Additional parent-teacher meetings, via Google Meet, have been scheduled to take place during December 2020.**

## **REMINDERS**

### **Hygiene routines**

Children are reminded several times, daily, about required hygiene practices and routines. Social distancing remains in place for adults with adults, and children with adults. Surfaces will continue to be wiped routinely, during the day. **Parents and carers must wear a mask /face covering when on the school site.**

### **Homework**

Homework will continue on Google Classroom. Please note that we will use Google Meet to teach online, if an entire class of learners has to self-isolate.

If your child is absent from school due to self-isolation, work will be uploaded onto Google Classroom, by the end of the first day School has been notified.

### **Belongings**

Please remind your child NOT to bring a school bag. PE kits, a water bottle and a packed lunch remain the only items permitted at this time.

### **PE kits**

PE kits should be brought to school every Monday and taken home on Friday. For as long as the weather allows, all PE will be taught outside and will focus on non contact sports/ activities only.

**As daylight hours shorten and darkness drifts in earlier, with every fleeting day, we remind ourselves that... the sun always shines, at Parkhill Junior!**

*Thank you for your continued co-operation.  
We are here to help.*

Enjoy Learning.
