Dear Parents and Carers

It was with sheer delight and relief, that we welcomed back our Parkhill community of learners, last week. There is no doubt that you felt the same. We ask for your continued co-operation and support, as we follow the same obligatory guidelines, until otherwise advised. The most important aim of all, is to ensure that all children can attend school safely.

Safety also extends to the child's school journey. With traffic increasing significantly, around the schools again, we ask that you walk to school with your child and enjoy the experience. At last!

The sound of voices, laughter and activity has brought our schools to life again. The business of learning is fully underway helped by spring, bringing its annual dose of hope and optimism. When national lockdown measures do ease, we look forward to re-instating all those events we dearly missed, last summer.

Warm wishes
