Dear Parents and Carers,

Great news! The week immediately after half term is Arts Week! We've organised many fun and creative things that pupils will get involved with, including some special year group projects and a few whole school activities.

Talking to some of you over these past few months, it is apparent that we have all recently come to appreciate the natural world just a little bit more, and so this year, Arts Week's theme is nature. This fits in brilliantly with our focus on mental health and on encouraging more outdoor learning. Fantastic!

There are two items that we ask children to bring in for Arts Week:

- An adult's old shirt/ t-shirt to cover school uniforms when we're painting.
- A pebble that is large and smooth enough to paint on.

Of course, we'll be showcasing the wonderful creations made during Arts Week. The children will be able to visit an exhibition as well as parents and carers. This will feature their work and it will also go onto the school's website so you can see the fantastic art that we have produced.

Enjoying creating,

Natalie Castellanos
