11th May 2021

Dear Parents and Carers

With a veritable sprinkle of optimism, we cautiously look forward, to the eventual return of a fuller school life, as we knew it, pre pandemic and lockdowns.

Attendance and punctuality are crucial to this process.

Therefore, it is timely to point out that dental appointments, optician appointments and GP appointments **must** be booked, **outside school hours**.

However, we do acknowledge that there remains a small backlog in all these services and therefore, in response to this, up until the end of this summer half term – 28th May 2021, emergency dental and optician appointments will be authorised **but only when evidence is provided**.

All appointments made after this date, will be unauthorised.

Hospital appointments, with supporting evidence, are routinely authorised.

Thank you for all your support.

Warm wishes
