Dear Parents and Carers

Although the Government has now relaxed restrictions for Covid, we are remaining vigilant and continuing to take precautions while in school to ensure the safety of the school community.

At present Covid cases are still rising at a very significant rate and things may yet change again before our return to school in September. In the last week of August we will write to you to let you know the final details of the children's entrance points, timing etc. to start the new school year.

Of course all of this is contingent upon Government changes, but we hope to be able to provide you all with definitive information the week before school starts again.

Wishing you all a safe, peaceful and happy holiday.

Thank you for all your support.

Warm wishes
