JUST LOOK AT WHAT YOUR CHILD GETS FROM A SCHOOL LUNCH:

Better for you, Better for the planet

We know how important it is to not only make sure that food is healthy but also better for the planet. When it comes to school lunches, we've been worrying about it so you don't have too.

By adding more plant based proteins such as red lentils and borlotti beans to our recipes we reduced our Co2 a whopping 77,660 kg.

That's the equivelent of driving a car from Lands End to John O'Groats over 300 times!
